

DHARANI ARUMUGAM

+91 7418089090 | dharaniarumugam14@email.com | Tiruchirappalli, Tamil Nadu

PROFESSIONAL SUMMARY

Motivated Computer Science Engineering student with hands-on experience in Python, SQL, and web development through academic projects and internship exposure. Skilled in building responsive applications, integrating databases, and working with Git-based collaboration. Possess strong problem-solving ability and a solid understanding of programming fundamentals and SDLC. Eager to start a career as a Software Developer and contribute to building reliable, scalable solutions while continuously learning new technologies.

WORK EXPERIENCE

Python Full Stack Developer Intern · Grapinz Technology, Udumalpet, Tamil Nadu *Apr 2026 – Present*

- Assisted in developing and maintaining web application modules using Python and modern web technologies. Built responsive user interface components using HTML, CSS, and JavaScript.
- Worked with SQL databases for data storage, retrieval, and basic query optimization.
- Collaborated with the development team using Git for version control and task tracking.
- Gained practical exposure to software development lifecycle (SDLC), debugging, and application testing.

KEY SKILLS

- Programming Languages:** Python, C, SQL, JavaScript (Basics)
- Database:** SQL – SELECT, JOIN, GROUP BY, Database Management & Optimisation
- Web Technologies:** HTML5, CSS3, Responsive Web Design, Basic Frontend Development
- Backend & Database:** Python, MySQL, SQL Queries
- Tools & Platforms:** Git, GitHub, Visual Studio Code

EDUCATION

B.E. Computer Science and Engineering - CGPA 8/10 *2023 – 2027*

Government College of Technology, Coimbatore

Higher Secondary School - 94% *2022 – 2023*

Sowdambika Matric Hr.Sec School, Thottiyam

SSLC *2020 – 2021*

Sowdambika Matric Hr.Sec School, Thottiyam

PROJECTS

Web-Based Printing Service Platform

Technologies: HTML, CSS, JavaScript, Python, SQL

- Designed and developed a full-stack web application connecting customers, designers, and printing vendors through a structured order workflow.
- Implemented multi-user login system with order placement, design approval, and real-time order tracking features.
- Integrated SQL database for managing users, orders, and transaction data efficiently.
- Built responsive UI to ensure seamless experience across desktop and mobile devices.

DECLARATION

I hereby declare that the information furnished above is true and correct to the best of my knowledge and belief.
